

## Minitab 21 Installation Instructions

Updated August 17, 2023

1. Download the Minitab 21 installation package.
2. Begin the installation.
3. Select the setup language, then click “Next”.
4. From the “Welcome to Minitab Setup” window, click “Next”.
5. Click “I accept the terms in the License Agreement” and click “Next”.
6. When prompted, select “Activate with a license” and click “Next”.
5. From the “Select a licensing method” window, select “Sign In” and click “Next”.
6. From the “Destination folder” window, click “Next”.
7. Click “Install” and complete the installation.
8. Click “Finish” to complete the installation.
9. Follow the instructions at <https://helpcenter.mines.edu/TDClient/1946/Portal/KB/ArticleDet?ID=146698> to license the software using your mines.edu username and password.
